

SENATOR LUELITKE: That's in here. You bet.

SENATOR CAL CARSTEN: Thank you, very much.

PRESIDENT: Once again, any further discussion of the bill. The question is shall LB 226 as amended, now, be advanced from General File to E & E Initial. All those in favor vote aye. All those opposed vote no. Thank you. The clerk will record.

CLERK: 27 ayes, Mr. President.

PRESIDENT: The bill is advanced. This brings up the General File consideration of LB 374.

CLERK: Read title. LB 374. There are Committee amendments by Senator Syas' Constitutional Revision Committee.

PRESIDENT: The chair recognizes Senator Warner.

SENATOR WARNER: Mr. President, members of the Legislature, this bill was introduced as part of the Interim Study of the...one of the subcommittees of the Budget Committee. In Senator Syas' absence, I will take the Committee amendments. Move their adoption. First, I would...I think I probably should explain the bill along with the amendments. You will recall present law requires the Game Commission to certify to the Department of Roads which roads shall be improved under the Recreational Road Fund and they do this periodically, and, then, the Department of Roads has the responsibility for actual construction. During the Interim period, we found in visiting with the Game Commission and the Road Department that it might be desirable if we would require a five year plan for the certification of which roads should be constructed by the Game Commission...or certified by the Game Commission and then the Committee amendment also adds that the Department of Roads would also supply five year plans to the actual roads they intended to construct. In addition, the Committee amendment provides that, not only is
